

## Global Education/Study Abroad

OFFICE OF INTERNATIONAL AFFAIRS

UNIVERSITY OF COLORADO

DENVER | ANSCHUTZ MEDICAL CAMPUS

### **Finance Policy for Non-CU Denver Programs**

The Office of Global Education charges a \$400 study abroad fee upon registration in the required placeholder course STDY 3995/5995 (Undergraduate/Graduate). This fee will appear on the student's Bursar's bill. Registration in STDY 3995/5995 maintains full-time enrollment and student status at CU Denver and authorizes the release of financial aid. Program fees will be paid directly to the study abroad provider, and students will not pay CU Denver tuition for the term(s) abroad.

If students plan to study abroad for two consecutive terms on the same program, the \$400 fee will only be charged for the first term abroad. Students will be required to register for the placeholder course (STUDY 3995/5995) for both terms abroad to continue to maintain CU Denver enrollment status.

If a student withdraws from their non-CU Denver program, they must notify the Office of Global Education. If a student withdraws after enrolling in STDY 3995/5995 and being billed the \$400 fee, eligibility of a refund will be determined on a case-by-case basis.
